

Doors

Strength with Elegance

Our doors offer an extensive list of security features, matched with a wide range of styles and finishes and are the ultimate in front and back door design. They can be finished in a very high gloss white PVC-u or in a selection of wood grain foils with designer features which provide the security, thermal efficiency and durability expected from a top quality door.

Every Shaws door is manufactured to the highest standard using top quality components and is subject to rigorous quality checks throughout its manufacture.

Options in the door range include:

- Single, double or stable door
- High Gloss white PVC-u finish or choice of wood grain appearance in golden oak, mahogany or rosewood
- Hidden Steel Reinforcement
- Chamfered or Ovolo beading
- Choice of PVC-u or Glass infill panels
- Wide range of energy efficient glazing options
